

NOTICE-MEDICAL STANDARDS

COLOUR PERCEPTION STANDARDS-ARMED FORCES

There have been a large number of queries from prospective candidates for details of acceptable colour perception standards (CP) to join the **Armed Forces**.

It has been confirmed from the specialist doctors that the minimum standards for acceptance of candidate in the medical board is **CP2**. The same has been confirmed from service headquarters.

Henceforth, candidates not meeting the above criteria of colour perception will be declared **MEDICALLY UNFIT** to join this institute.
